## TRADITIONAL OKINAWAN KARATE

**F**itness, Confidence, Self-Defense! Join us - *Program welcomes anyone, ages 14 & up!* Traditional Okinawan Karate, offered by the NoVA Isshinryu Karate Club. Training includes: cardiovascular conditioning and flexibility exercises, self-defense skills, traditional forms known as Kata, and limited, controlled point sparring. (Safety equipment is required during sparring, and the safety of the student is always given the highest priority.) No experience is necessary, and beginning students are taught separately from advanced students. Character development, respect and self-control are promoted during training to help students cope with daily stress and life pressures. Instructors are certified Black Belts in Isshinryu Karate by the IWKA, OIKKA, and PSKC. Contact instructors below for exact session dates.

## HATHA YOGA

**I**n these progressive courses you will learn yoga poses, breathing techniques and deep relaxation. This centuries-old system for total health and well-being reduces the negative impacts of stress; strengthens muscles while increasing their flexibility; tones all the internal organs, glands and the nervous system; keeps the spine healthy; increases joint mobility; and lowers high blood pressure. The poses and relaxation combine to unblock energy channels within the body. The deep rhythmic breathing brings increased energy. The result is a more vibrant and energetic you. Yoga also heightens awareness and the ability to concentrate. It brings clarity of mind and deep inner peace. Yoga is for everyone regardless of age or present condition. Come, enjoy and stay young with yoga.

\* *Vinyasa yoga*, also referred to as *flow yoga*, is a more aerobic form of yoga. Many find it to be very meditative to flow from one pose to another using the breath as a guide. Prerequisite: prior yoga experience and free from injury. This class will focus on exercises to strengthen and tone the arms, abdominals, hips and thighs. Stretches will be done at the end of each class to lengthen the muscles and relax the mind. Arm weights (2, 3 or 5 lbs.) are required.

# CONSERVANCY DEPARTMENTS

## BCC Facilities/ Resources Project List

At the request of the Open Space Committee (OSC), the following is a list of projects addressed by the Facilities & Resources (F&R) Department during the past month. There are approximately 350 out of 1700 acres that are deeded as *Conservancy Open Space*; which includes six ponds and wooden structures, eighteen tennis courts, eight multi-purpose courts, three sand-ball courts, eight play fields, forty-eight tot lots, five community centers and twenty-one miles of trails. Maintenance for these areas and facilities is funded by the Conservancy General Fund. To report a problem or concern with an open space area in Burke Centre, please contact Joe Stern, F&R Assistant, (703) 978-2928; email: [joes@burkecentre.org](mailto:joes@burkecentre.org).

**Community Centers** – The hardwood floors at the Oaks community center have been refinished.

**Open Space** – Two Bass Pond cluster entrance signs have been installed and further landscaping enhancements are planned. Leaf removal operations continue throughout the community. The staff continues to remove improperly disposed of debris

found or reported in open space areas. Graffiti was also removed from a culvert drain behind Burke Pond Lane.

**Ponds** – The contractor has completed dredging at Burke Pond. There is an adjacent sidewalk repair still to be done along with final grading and seeding that is yet to be completed.

**Trails / Bridges** – Pathway maintenance is ongoing. Stone has been added to raise the berm along a section of pathway near Terra Centre Elementary.

**Trees** – Removal of hazardous trees continues throughout the community.

**Work Orders** – 85 work orders were generated in the month of November.

## Where the ARB Inspectors Are

Thanks to suggestions from the Oaks Neighborhood Council, the Conservancy has been providing the community with periodic updates on upcoming inspection areas. These locations can include, and are not limited to, areas where there have been ongoing complaints, where there are requests from cluster reps for the staff to

perform cluster-wide inspections, or where follow-up inspections are due from prior visits. The staff will also continue to respond to day-to-day complaints and Property Owners Association Act (POAA) inspections as they are received.

## Renting a home in Burke Centre?

Sometimes information renters may need can get overlooked during a busy move into the community. Sometimes the owner of a rental home does not live in the area so information about daily activities such as trash schedules and Homeowner Association (HOA) rules is not passed on to renters. Renters are then in a position to somehow find this information on their own.

The Burke Centre Conservancy (BCC) is here to help renters transition into the community with as much ease as possible. We urge all renters to visit us online at [www.burkecentreweb.com](http://www.burkecentreweb.com), or to visit our office at 6060 Burke Centre Parkway (at the intersection of Coffer Woods Road and Burke Centre Parkway). Renters are entitled to receive private web site access that can be requested using the Request Log-In link online. A welcome packet is also available for pickup at the office location during business hours, M-F, 9

AM-5 PM, and Sat, 9 AM-noon.

Besides getting the trash/recycling collection schedule, renters are highly encouraged to spend a moment becoming familiar with the community's *Architectural Standards* and parking restrictions. Conservancy members expect a high level of property maintenance, and one of the best things a renter can do is to always keep the grass mowed, and to make sure trash/recycling and yard debris is put out no earlier than the night before the scheduled pickup. Other focus areas include properly storing trash and recycling totes after collection out of sight, and parking in spots designated for the home you are renting, etc. If you live in a home with bulk parking, i.e., a townhome area, please do not park your vehicles in visitor spots - those parking spaces are designated for guests only. Thank you for your cooperation.

If you have questions, please call or send email and the Conservancy staff will be happy to assist you. Contact Rita at (703) 978-2928 or send email to [administration@burkecentre.org](mailto:administration@burkecentre.org).

# BURKE CENTRE EVENTS

## Santa's Annual Visit to Burke Centre

Santa made his annual stop at the Woods Community Center on December 10, 2011. Santa checked lists, shared cookies and the famous "Burke Centre Visit Santa Holiday Punch" and posed for photos. Many thanks to the Adolph Family for assisting with this year's event.

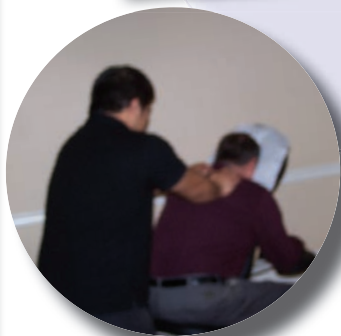

## Volunteer Reception Wrap-Up

Over 85 cluster reps, committee and task force members, and trustees attended the annual volunteer reception, hosted by the Conservancy staff, in sincere thanks for the time and energy contributed by many volunteers to the community throughout the year.

Also, many, many thanks to Radio Fairfax WEBR on-air personalities, **Jim Burke** of *England Swings*, and the **Big G (Denis Gulakowski)** of *K-Radio Flashback* who provided the entertainment. A huge thanks also goes to **Jong An** from the W Salon, for donating his services to provide complimentary massages.

Thank you, Burke Centre!

## Annual Toy Drive

The Annual Burke Centre Toy Drive [pictured above] was a huge success! Thanks to all of our generous neighbors that contributed to benefit sick and less fortunate children in our area.
