

After-Hours Wine Garden Report

A big thanks goes out to Jim Barker of the [Washington Wine Academy \(WWA\)](#) for hosting an enjoyable evening of wine tasting, appetizers and music into the evening hours on Saturday night. Expertly assisted by Festival Liaison Sande Pfalzgraf, Jim designed a fun and festive atmosphere, so pleasant that the 95+ degree heat was almost forgotten! Members of the Burke VFW Post 5412 are also appreciated for participating and helping to "hold down the fort" after hours.
